

MASCOT

Multilateral Association for Studying health inequalities
and enhancing north-south and south-south COoperation

October 29-31, 2012

Expert meeting and 12-month consortium meeting

Crowne Plaza Rosebank
Cnr Tyrwhitt & Sturdee Avenues
Rosebank
Johannesburg
South-Africa

Agenda

The main objectives of the 12-month meeting are:

- To gather again the experts from the different countries
- To present the national conclusions
- To compare the results obtained in the different countries
- To identify the regional similarities and differences by a presentation of the regional reports
- To discuss the transferability of the knowledge acquired in the frame of the project
- To initiate the identification of best practices
- To discuss the progresses done by each partner in the different WPs
- To solve potential problems
- To exchange general feelings on the project
- To organise the work of the following months
- To state on the first reporting and prepare the second one
- To address dissemination and communication issues
